INSTRUCTIONS FOR ABSTRACT SUBMISSION

Purpose

Abstracts will be reproduced in the WCP 2010 Conference Program distributed to all delegates and will be used by the session moderators to introduce you and your fellow speakers and panelists. Please submit an abstract for each solo presentation or panel on which you would like to participate. If we receive multiple abstracts for one topic we may ask presenters to appear on a moderated panel for that topic.

Submission Guidelines

The page layout for the WCP 2010 Abstract is shown in the accompanying MS-Word template. Please adhere to the following formatting elements:

- Type the title of the conference paper in uppercase letters using Arial Bold point size 14 font.
- Type the author's name (and co-author's names, as applicable) in Arial point size 11 font. Show each person's affiliation and use footnotes to reference each author.
- Below the author line, reference the contact information of each person with respect to each footnote.
- Use Arial point size 11 font for the body text.
- Justify the text in the abstract at both the left and right margins.
- Leave one blank line between paragraphs.
- Do not indent the first line of the paragraph.
- The page number will be assigned by the Publisher and added to the Word file before publication; therefore, do not place anything in the footer region of the abstract.

Please keep the body text of your abstract to a maximum of 300 words. Do not include figures, table or photographs in the abstract.

Submission Deadline

If you decide to submit more than one conference paper for WCP 2010, please submit each abstract as a separate electronic document in MS-Word format. **Please submit your abstract(s) by no later than November 30, 2009** to the undersigned via email at risa@theshimodagroup.com.

For further information or questions regarding abstract submission, please do not hesitate to contact me directly. We look forward to hearing from you and hope to see you in Salida in May 2010!

Sincerely,
